KICK START THEIR POTENTIAL

Munchkin Soccer
Dartmouth YMCA

Ages 3-4

The Dartmouth Y Munchkin Soccer program emphasizes the fundamental skills of soccer, teamwork, fair play, and competition. This program is a great way for your soccer enthusiast to have fun while learning the sport with friends.

Our program is designed to challenge young minds to play together in a non-competitive environment. The program includes skill development and scrimmages weekly. Participants are placed on teams based on age and play together with other participants of similar age.

This fast-paced organized activity is a great way for our Y staff to mentor and work with your child as they develop basic soccer skills in a fun and exciting environment. Teams are coached by Y staff members.

Saturdays September 9th - October 28th

Ages 3-4

10:00 am - 11:00 am

Pre-registration is required. Space is limited.

For more information contact Samantha Fagundes, Program Director at 508.993.3361 x12 or sfagundes@ymcasouthcoast.org
