Mission:

The mission of the Dartmouth Public Schools is to provide a quality education for all learners.

Vision:

The Dartmouth Public School District, in partnership with parents and the community, will deliver challenging, standards-based instruction for all students that fosters academic, physical, social and emotional development. Utilizing data analysis to drive instruction, we will implement specific strategies to support every student to think critically, solve problems and become a responsible, contributing citizen. Our high school graduates will possess the required skills and knowledge necessary to thrive in their academic and vocational ambitions.
